A WORD OF APPRECIATION

This Cumulative Index of titles, authors, and significant subject matter has been prepared by Miss Helen A. Fraser, librarian at the Albany Medical College and secretary of the New York Folklore Society. She wishes to acknowledge the assistance rendered by members of the staffs of the New York State Library and the Albany Public Library. She is especially appreciative of the assistance offered by Miss Dorothy A. Vibbard, director of the Albany Public Library.

Dr. Herbert A. Wisbey, Jr., head of the department of history, Keuka College, and associate editor of the *New York Folklore Quarterly*, corrected page proofs.

The members and officers of the Society commend enthusiastically and gratefully these individuals, for they have made the resources of the *NYFQ* readily available for future study and reading.

The Winter issue of each subsequent volume will contain an annual index.
